Product Summary

The Railways have gone into several changes from the 19th century till today. The Railway system in India is truly the forerunner of modern industry. The Bibek Debroy Committee appointed by the BJP Govt has recommended for the privatizing the core activities and also operational sides of the railways etc. Comrade Elango has thoroughly gone through the recommendations and has brought out the dangers it contains. Further, he has ingeniously used many documents of Govt.of.India in the support of his arguments.

Product Description

R.ELANGO VAN

The Railways have gone into several changes from the 19th century till today. The Railway system in India is truly the forerunner of modern industry. The Bibek Debroy Committee appointed by the BJP Govt has recommended for the privatizing the core activities and also operational sides of the railways etc. Comrade Elango has thoroughly gone through the recommendations and has brought out the dangers it contains. Further, he has ingeniously used many documents of Govt.of.India in the support of his arguments.
