### Product Summary

The onset of globalization process since the early 1990s, the village enterprises in India have come under severe threat of facing global competition. In this backdrop, the book entitled "Impact of Gandhi Ashram on Socio-economic Changes or Rural People-Empirical Study" brought to light the ground realities in Tamil Nadu and in particular the Gandhi Ashram in Tiruchengodu in Namakkal district. This book clearly brings out the production performance, financial performance and marketing performance of Gandhi Ashram products in the study area.
