Product Summary

Teaching is a political activity. Teacher is a political activist. These are truths that no one spoke aloud. The first person to do this was Paulo Freire. An Ambedkar Kindeled Bhim Rao. The attitude of teachers helped many students to critically analyze the socio-economic lie and gradually transformed them into reformist or revolutionary. In this small book Paulo Freore shares his experience with a group of teachers and activists.

Product Description

PAULO FREIRE

Teaching is a political activity. Teacher is a political activist. These are truths that no one spoke aloud. The first person to do this was Paulo Freire. An Ambedkar Kindeled Bhim Rao. The attitude of teachers helped many students to critically analyze the socio-economic lie and gradually transformed them into reformist or revolutionary. In this small book Paulo Freore shares his experience with a group of teachers and activists.
